## WELCOME TO LAS VEGAS!

Las Vegas is America's most dynamic, entertaining, and intriguing city which is why you cannot choose a better city to visit. I am convinced that once you get a taste of what the city has to offer, you will never want to leave. Las Vegas continues to capture the world's imagination as the city where anything is possible. With world-class hotels, award-winning restaurants, luxurious spas, fantastic shopping, the finest golf courses and spectacular entertainment, Las Vegas remains one of the most electrifying destinations in the world.

At its heart Las Vegas is all about making sure our customers are well taken care of, treated courteously and shown a great time. Beyond the neon of the fabulous Strip and the Fremont Street Experience there is another Las Vegas one in which we are building a world-class city featuring the best in arts, culture, sporting opportunities and quality medical care. The new Smith Center for the Performing Arts has set a high standard for art and culture in our city, and I encourage everyone to take in a concert or Broadway show at this magnificent venue. Regardless of your age, a must-visit spot is the children's interactive Discover Museum adjacent to the Smith Center. Buzzing with excitement and energy is the Fremont East Entertainment District a place with an energy and enthusiasm through its taverns, restaurants and music venues.

The city also offers beautiful weather and outdoor activities from top class golfing to opportunities for world-class hiking and rock climbing at the Red Rock Canyon National Conservation Area, to skiing at Mount Charleston and a visit to the awe-inspiring Hoover Dam at the Lake Mead National Recreation Area. Las Vegas is the place to be for outdoor adventure.

If history is more your speed you are in luck because The National Museum of Organized Crime and Law Enforcement and the Neon Museum are two of the most interesting and unique experiences in the country. At The Mob Museum you'll have interactive experiences learning about the mobsters who built Las Vegas and the law enforcement officers who shut them down. At the Neon Museum tour through the Boneyard of the famous neon signs of yesteryear. Other museums you'll want to visit are the Natural History Museum and the Nevada State Museum located in our Springs Preserve.

I want to thank you for choosing to visit Las Vegas, and I hope you will want to return often. We know you will have a fabulous time enjoying our great city and everything it has to offer. Now what are you waiting for? The party has already started! See you in Las Vegas!

Sincerely,
